MADE IN MONTANA PRODUCER/MANUFACTURER SELF ATTEST FORM

By signing and submitting this form, I certify that I understand the information below and that the information that I have provided and the choices I have indicated are accurate and that I am duly authorized to execute this application.

I verify that my products meet the Montana Department of Commerce, Made in Montana Program eligibility criteria of having either been grown, created, or substantially transformed within the state of Montana (and in the case of substantial transformation the value is now 50% or more of the individual parts used in the production process) and the I will only use the logos on products that meet this description, as approved by the program. I agree not to alter, share, or resell product logo labels or the electronic logo to non-members and understand the doing so violates this membership agreement and will result in my termination from the program and that legal action may be taken.

I understand that if I am participating in the Made in Montana Online Products Directory that updates and requests for removal will be accepted in written format only. The listings will remain on the website until removal is requested or a member is deemed not eligible or out-of-business due to non-response to annual updates or non-working contact information.

All Made in Montana logos (including Grown in and Native American Made in) are federally registered marks and are regulated by the Montana Department of Commerce. I acknowledge that the Department owns the exclusive right, title, and interest in and to all the Made in Montana logos.

NOTE: The Made in Montana Program reserves the right to determine the appropriateness of information provided for a business listing to be included in the Online Products Directory and may make changes accordingly based upon the content or use of the products offered by the business.
